#1: To register, you must login using your SAF login credentials.

You can either login at the top of the page or through the yellow/orange button labelled “You must log in to register” or the red text “Log in now.”

#2: Then, select the green button to register – your registration fee will be indicated.

#3: Once you select the register button, you will be directed to complete your registration. Registration is required for everything except the video library.

#4: Once registration is complete, return to your Dashboard on ForestEd to locate registered items.
