

# Registration

## Quick

## Tips

**#1:** Navigate to the ForestEd learning opportunity from outreach source (email, social media post, eforester, SAF News, etc.) or directly from [www.safnet.org](http://www.safnet.org) or [www.ForestEd.org](http://www.ForestEd.org).

**#2:** To register, you must login using your SAF login credentials.

### Urban Trees and Chewed Up Leaves: Managing Insect and Fungal Pests in the Urban and Managed Landscapes

Includes a Live Event on 07/13/2020 at 10:00 AM (MDT)

You can either login at the top of the page or through the yellow/orange button labelled “You must log in to register” or the red text “Log in now.”

**#3:** Then, select the green button to register. The respective registration fee will be noted according to membership type (member/non-member).

### Urban Trees and Chewed Up Leaves: Managing Insect and Fungal Pests in the Urban and Managed Landscapes

Includes a Live Event on 07/13/2020 at 10:00 AM (MDT)

**#4:** Once you select the register button, you will be brought [HERE](#) to complete your registration.
