

# FOREST HISTORY SOCIETY

Supporting the Forest History Society is a unique opportunity to bring history to life. Your membership contribution funds critical activities like the processing of archival collections, digitizing rare photos and documents, and the recording of oral histories. We, along with scholars, researchers, scientists, journalists, and others, transform these historical records into books, films, and educational resources and make them available to all.

### Individual Member Benefits include:

- ✓ Subscription to *Forest History Today* magazine; *Forest Timeline* newsletter; and the journal *Environmental History*
- ✓ Print and digital recognition on the FHS Donor Honor Roll – Friend level and above
- ✓ New releases of *Issue Series* books, which present a historical perspective on contemporary—and sometimes contentious—topics
- ✓ Discounts on renting meeting and event space at the FHS headquarters
